

There are several ways you can make reservations for the DD20 conference at the Del Mar Inn:

1. Email the request to sales@delmarinn.com and the hotel staff will help you with your reservation.
2. Call the hotel directly, toll free, at 1-800-451-4515. A reservation agent will then help you make the reservation.
3. The UCSD portal page at www.delmarinn.com/ucsd. In this case please make a note in the special comment section of the reservation that you will be attending the DD20 conference and the hotel staff will make sure their reservations are put into the DD20 reserved block.

You are then guaranteed the UCSD rate.
